Championing the cause of local churches everywhere
Welcome

Hello and welcome to Hillsong Conference.

We are thrilled that each and every one of you has arrived safely. We are going to have the most amazing week because God has gone before us and He always has a perfect agenda for this remarkable gathering of leaders and believers who desire to make a difference in this world.

So if you are familiar with the conference, relax and enjoy – but be sure to stir up an expectant heart, because our prayer is that God will speak into your life in a fabulous and “unexpected” way.

If you are new, we are so glad you are here - may this be a milestone experience in your life. Please know that you are amongst friends and that the genuine desire of our church, team and volunteer-army is to serve you and create an environment where you are refreshed in calling and all that pertains to you.

So be blessed, be kind, be friendly, have fun. Familiarise yourself with the diary and remember that you also (as a delegate) shape the atmosphere around you - so wherever you find yourself over these next few days, be carriers of His Grace and let’s together make 2015 our finest.

Love you.

Your Seating Community is listed on your pass. This identifies the community you will be sitting with at each morning and evening session throughout the week. Hopefully you would have already met your Seating Community Captain (if not, make sure you introduce yourself) – this friendly volunteer will be your main point of contact throughout the week and will meet you at your allocated door before each morning and evening session.

Check out the seating map to plot out where you need to go for each morning and evening session!

The organisers of Hillsong Conference reserve the right to change any of the published conference details without notice and have the final say on any matter relating to the conference. My Spirit, My Responsibility - CD Teaching Series

My Spirit, My Responsibility explores what it means to take personal responsibility for what thoughts and meditations govern our spirit, as we walk through life's failures, successes, partnerships and relationships, and endeavour to live a life that is obedient to Jesus Christ. Over this eleven-part teaching series, Senior Pastor of Hillsong Church, Brian Houston, takes listeners on a journey of understanding the importance of keeping a ‘right spirit’ before God and man. Life is full of reasons to get offended, or to live with regret, blame, and condemnation - yet the Word of God tells us to ‘take captive every thought’ and bring your spirit and your mind into obedience with Christ and His Word. (2 Corinthians 10:5). Be encouraged as we explore what it means to guard our lives and look to the future with a pure heart and positive spirit.

Be Found - CD Teaching Series

BE FOUND... Be found in His words, BE FOUND in His footsteps, BE FOUND in His shadow. At the spectacular 2015 Colour Conference, Bobbie shared that God wants us all woven into a stunning tapestry of LOVE, with minds confident and at rest and focused on Christ - in order that nothing assail our convictions or throw us from the path He has for each and every one of us. Sharing transparently from her own experiences (from a year prior that was filled with favour and blessing, and yet also challenge and opposition) she opened the Word and encouraged the vital importance of being endlessly found in His words, footsteps and shadow. Included also are two additional messages: An honest insight into “the Climb” that comes with being counted amongst Jesus’ climbing companions (the Beatitudes), plus “the Manhood” session from Colour 2015, where Brian Houston hosted an enlightening and entertaining conversation with some of the great men we share life with, including his sons Joel and Ben Houston.

BE FOUND IN THE MYSTERY

COLOUR TWENTY-16

Celebrating 20 years of Colour
dear friend,

The language ‘BE FOUND’ continues as we seek to not only celebrate 20 years but also unfold the mystery.

In all truthfulness, the wonder of all things divine is an eternal mystery, but it’s also not a secret. We are living in days where the simplicity and power of the Gospel message is becoming so magnetic, clear and compelling; people are being drawn from the darkest and most remote corners of society and life.

Fantastic guests will again grace our platforms in Sydney, Cape Town, London and Kiev – and for the first time in the United States. Exciting days. We love you heart and soul. See you in Twenty-16!

WE’RE EXCITED TO CELEBRATE 20 YEARS –

Poverty robs a child of more than food, water, education and security. It damages their self-worth. Poverty tells a child ‘You don’t matter, your story is not worth being told’.

Through Compassion child sponsorship children are free to tell their story, to learn, dream, play, laugh and be kids. They become free to imagine a future where poverty is not their reality.

At Hillsong Conference 2015 you can tell a child like Lizet: I hear you. You matter to me.
